

A keepsake journal designed to help you capture and treasure your most precious memories. Filled with thoughtful prompts, this book is a perfect gift for yourself or a loved one.

Let this gift be a bridge between generations. Simple, heartfelt, and priceless.

This Gift of Memories is for you to enjoy revisiting the past, and for someone else to cherish your words in the future.

How to Use This Journal

Look through the questions at your own pace.

You can answer them in any order. Start with the ones that spark a memory or feel easy to begin with.

Answers the questions that apply to you.

If a question doesn't apply, skip it or replace it with one that feels more you.

Write as much as you like.

Each page has space to write, but feel free to continue onto extra pages if a story runs long. There's no limit.

Be personal and detailed.

Go beyond yes/no answers. Describe the sights, sounds, feelings, and people involved. These are your memories and your voice matters.

One question may bring up more than one memory.

Use the space to capture whatever comes to mind. There's no "right" way to do it.

Make it your own.

You can decorate, add photos, draw, or insert keepsakes if you like. This is your memory book.

If writing is difficult use the book as an audio prompt.

You can use this book to help you tell your story into a phone or microphone.

Most of all. Have fun!
