Movie quote hangman

It is like normal hangman, except all the phrases have to be quotes from movies?

Guess the famous person

Each person chooses to be a famous person and everyone else asks them questions to guess who they are. The person can only answer with, yes or no. For example:

1st person: Are you a boy?

2nd person: No.

3rd person: Are you singer?

2nd person: Yes.

A day in review

Each person takes turns talking about their day, but first picks a letter that is off limits. Words beginning with that letter may not be used when describing the day. The words used for substitution can make these tales an entertaining vocabulary exercise. Make sure each family member gets a chance to talk.

Word morphing

Each person has to find a new word by changing ONE letter. Words can not be repeated. For example:

1st person: Toe

2nd person: Tone

3rd person: Stone

4th person: Stole

5th person: Stale

Movie and TV names

The first person says the name of a show. The next person has to say a show whose first name starts with the last letter of the previous show. Names can not be repeated. For example:

1 st person: Game of Thrones

2nd person: Sisterhood

3rd person: Dirty Dancing
