

Smiling is contagious, you catch it like the flu
When someone smiled at me today I started smiling too.
I passed around the corner, and someone saw my grin -
When he smiled I realised I'd passed it on to him!

I thought about that smile, then I realised its worth.
A single smile - just like mine
Could travel round the earth!
So, if you feel a smile begin, don't leave it undetected -
Let's start an epidemic quick and get the world infected!
